OBLIGATIONS AND RESPONSIBILITIES of APPLICATION USERS from CONCERNED DEPARTMENT/ MINISTRY

1. The ID provided to you is for a single application ONLY. If a user department/division wishes to integrate additional applications with the NIC SMS Gateway, then an id pertaining to that application needs to be created. Id created for application A cannot be used for application B. The user department needs to contact NIC for creation of the id for application B. Any violation detected by the user department will result in termination of the application integration. It is the responsibility of undersigned to ensure the same.
2. **The authorized officer is the officer at the level of undersecretary or above working in Ministries/Departments/Statutory Bodies/Autonomous Bodies of both Central and State/UT Governments.**
3. Concerned Department/Ministry shall be solely responsible for all the information, contents, data send and received using NIC SMS gateway under this agreement. Concerned Department/Ministry further acknowledges that it shall be solely responsible and undertake to maintain complete authenticity of the information/data sent and/or received and takes all possible steps and measures to ensure that consistent authentic information is transmitted.
4. Concerned Department/ Ministry shall be solely responsible at its own costs and expenses for obtaining and maintaining all necessary approvals, sanctions, permissions, and licenses as required for sending and receiving SMS from the relevant authorities and/or regulatory bodies, as the case may be.
5. International SMS will only be given after approval from competent authority.
6. NIC reserves the right to change any parameter relating integration of application and changing criteria of SMS sent.
7. NIC will not share the details regarding the traffic or id details with anyone without the due authorization from the competent authority of the concerned department.
8. Concerned Department/ Ministry shall , at all times during the Term, fully comply with the regulations and directions issued by TRAI (Telecom Regulatory Authority of India) and the Department of Telecommunications, Government of India, from time to time relating to the duties and obligations of the other service provider under the Agreement
9. Concerned Department/ Ministry undertakes that it shall be fully responsible and liable for clearance of, in relation to third party, all rights including, but not limited to, copyrights, right to privacy / publicity, etc. in relation to the publicity undertaken by Concerned Department/Ministry as well as acquiring, propagating, publicizing, sharing and/or using the requisite intellectual property rights including trademark and copyrights of any third party for the SMS's being transmitted by NIC SMS Gateway.
10. Concerned Department/Ministry shall keep the account information such as userid, password provided, obtained from SMS gateway operations in safe custody to avoid any misuse by unauthorized users.
11. Any unauthorized commercial use of the services is expressly prohibited and concerned Department/Ministry shall be solely responsible for all acts or omissions that occur under its account or password, including the content of any transmissions through the services and the concerned Department/ Ministry shall strictly not:
 - a) Use the service in connection with junk Short Messages, spamming or any unsolicited Short Messages (commercial or otherwise).
 - b) Harvest or otherwise collect information about others, including email addresses, without their consent.
 - c) Create a false identity mobile phone address or header, or otherwise attempt to mislead others as to the identity of the sender or the origin of the message.
 - d) Transmit through the Service, associated with the Service or publishing with the Service unlawful, harassing, libelous, abusive, threatening, harmful, vulgar, obscene or otherwise objectionable material of any kind or nature.
 - e) Transmit any material that may infringe the intellectual property rights or other rights of third parties, including trademark, copyright or right of publicity.
 - f) Libel, defame or slander any person, or infringe upon any person's privacy rights.
 - g) Transmit any material that contains viruses, Trojan horses, worms, time bombs; cancel bots, or any other harmful or deleterious programs.
 - h) Interfere with or disrupt networks connected to the Service or violate the regulations, policies or procedures of such networks.
 - i) Attempt to gain unauthorized access to the Service, other accounts, computer systems or networks connected to the Service, through password mining or any other means.
 - j) Interfere with another user's use and enjoyment of the Service or another entity's use and enjoyment of similar services or engage in any other activity that SMS Service Providers believes could subject it to criminal liability or civil penalty or judgment. Concerned Department/ Ministry is fully responsible for the content sent through Short Messages from their respective application or otherwise.
 - k) Send any Short Messages to any numbers listed under 'Do Not Disturb' category.

This is to declare that I have read the terms and conditions given above and agree to abide by them. I shall be single point of contact in case required. I will be responsible for any misuse of the service/ violation of the clauses mentioned below.
